Supplementary Fee per funded hour

Your Universal 15-hour entitlement will be provided free at the point of delivery. However, we charge a supplementary fee to cover items that are not funded by the government, as well as the full hourly rate for any additional hours provided outside the entitlement hours funded by the government.

The supplementary charge and the price of non-funded hours may vary per nursery. The Supplementary charge is being reviewed on a termly basis and is based on your child's full journey at EDNS.

Government funding does not pay for all the things that make EDNS a special place for your child to develop. Additional benefits not covered include our Nursery Manager and Deputy Manager being outside of the classrooms, and not included in the childcare ratios, a well-maintained staff ratio across all ages, SENCO support from our Special Educational Needs Consultant, all staff receiving Paediatric first aid training, as well as on-site nursery chefs preparing delicious homemade meals, with breakfast, snacks and a cooked lunch and tea. Additionally, we also offer enrichment activities including Molly's Mindful Movement for our whole nursery and French and Forest School for our Explorers.

EDNS offer a limited number of funded only or free places for families in need, where we cover all costs not funded by the government. These free spaces have an impact on staffing and a financial consequence so are limited so as not to affect the sustainability of the nurseries. Please email
